Welcome to Artisan Smiles

Cosmetic, Restorative and Implant Dental Services

As a new business we would like to thank you for requesting an information guide and price list for our services. We would be pleased to discuss your requirements and look forward to being of service to you in the future.

Philip Dobinson (founder) has been employed in the dental technology field for over 30 years and specialises in cosmetic and implantology.

He has worked in referral dental clinics providing face to face consultations, implementing care plans using strategic client management to ensure successful outcomes for clients and after care plans.

Artisan Smiles believes that high standards and using evolving techniques will provide a unique handcrafted product for clients. Good communication skills ensure that products are made to exceed expectations and deliver on the smile.

Pricing structure

Artisan Smiles Pricing structure consists of two ranges, Artistic and Basic.

Artistic Range:

A restoration flourishing with creativity to produce a natural appearance, using a multitude of techniques by years of experience. (All services are artistic unless otherwise stated)

Basic Range:

Moderately monolithic with some degree of translucency and fundamental shading. Priced at a rate which is affordable.

Speciality Services & Discounts Available

Smile make over – express timescales:

Pick up of impression Monday Afternoon - Delivery Friday Mid Morning

4 Weeks notice must be given

10% Discount is available if an invoice is paid in full within 10 working days.

30% Discount is available if all implant abutments and fixtures are ordered on your account to cover parts pre-paid.

Working Practice:

10 working days in the lab is requested. Pick ups will be made the following working day when an order is placed after 13.00.

Request of an urgent nature may be accommodated by arrangement, please contact us for further details.

Guarantees and Warranty of Product.

All work carried out by Artisan Smiles includes a two year guarantee subject to the following conditions:

1. A copy of the original prescription has been provided with the order.
2. Articulation, where necessary, has been conducted to provide a good occlusal relationship.
3. Protective night splints, where provided, have been worn by the client to prevent damage by bruxism.

Work is not guaranteed in cases of damage caused by accident or injury, degeneration or existing dentition, or in some cases, bonding failure to the tooth.
